LL2976

TUCK'S POST CARD

CARTE POSTALE

By Appointment.

The Land's End is a fine rugged piece of coast, which gains an additional attraction owing to its being the most westerly point of England, the Lizard being the southernmost. Off the coast are many isolated masses of rock, forming a considerable menace to navigation, and to point out the dangers the Longships Lighthouse has been erected on Carn Bras. Its lantern is 123 feet above high-water mark.
